World War I Veterans To Meet Sunday At 2 P. M., In Appomattox

All honorably discharged Veterans of World War I have been requested to meet at the court house, Appomattox, Sunday, August 18th at 2 p.m. The meeting is called for the purpose of forming a local Barracks of the National Organization of Veterans of World War I of the USA.Clic.

This group, the newest to be chartered by Congress, is the third largest in the entire country, with over a quarter million members.

W. Glenn Elliott, the Virginia Department Adjutant, will be present to inform the gathering of the aims and accomplishments of the organization. Elliott is well known to the older Legion members. He formed the local Post about thirty years ago.

Marsh Reunion

The descendants of the late Stephen Thomas and Elvira Gordon Marsh held a reunion at the American Legion Hall at Appomattox, on August 11. Approximately 150 persons attended.

A short business meeting preceded the picnic lunch. The following officers were elected: president, Mrs. Len Childers, of Appomattox; vice president, Chap man Harris, of Lynchburg; secretary, Mrs. Everette Phelps, of Appomattox; treasurer, Mrs. James Childers, of Appomattox.

Statue Of Liberty

by Linda Gail Erwin

(Linda Gail Erwin, age 9, of Miami, Florida, composed the following poem. She is the granddaughter of Mrs. Flossie Hix Erwin, Hixburg.)

I'd like to go to New York Harbor to see the statue there
The woman standing on her feet
looks so beautiful and fair.
In one hand she is holding high
up into the air,
a torch of Liberty and friendship
for all people everywhere.
The torch is in her right hand—
it's light is very bright.
It always shines throughout the day
It even shines at night.

FHA Executive Board Meets

An executive board meeting of the Appomattox Chapter of the Future Homemakers of America met in the Appomattox High School Home Economics Department. Cynthia Richardson, club president, presided. The objectives, programs, projects, and other activities of the coming 196-1964 term were decided as follows: 1st Objective Launching good citizenship through homemaking. Project: Action through Virginia safe and beautiful.

The club plans to prepare and distrubute home safety checklist to its members. Each member will be asked to investigate main home accidents in her home and consider suitable solutions. A program on safety features in the home will be given. Speakers will be invited to speak on fire hazards, safety on the highway, and safety through proper use of electricity. Special attention will be given to finding ways to add more comfort and attractiveness to our school. A program on KEEP VIRGINIA GREEN is to be presented to the student body. Also a KEEP VIRGINIA BEAUTIFUL program will be given to a senior citizen group.) Litter - bug or reminder posters are to be placed on local highways as well as local business establishments. Posted moniters on school grounds will watch for litterers.

2nd Objective:

Contributing to the joys and satisfactions of family living.

Emphasis:

Telling about the homemaking program.

Among the club's activities is to sponsor Daddy Date Night and the Mother - Daughter Banquet as well as to have a joint FFA-FHA picnic. A speaker will be invited to speak on good citizenship. A standard for good citizenship to be carried out in the home economics classes will be set up. Bulletin boards on FHA activities are to be planned each month and reports on each meeting put in the school and town newspaper. The club will serve lunch to the school board, faculty, and FHA Mothers, have a fashion show for the FFA, and have a tea for the faculty. FHA members will take charge of devotions during FHA Week. A radio program will be conducted by a group picked from the club members. A girl of the year, girl of the month, and a committee of the year will be chosen. The chapter will adopt an orphan from the Presbyterian Home and visit a home for the aged. Attention will be given to the promotion of good writing. A joint meeting with the FFA is also planned.

Major Provisions Of '64 Feed Grain Program Announced

The 1964 feed grain program will be basically the same as the successful 1963 program, J. A. Martin, Chairman, Agricultural Stabilization and Conservation County Committee, said today. The signup period for both fall—and spring-sown crops is planned for early 1964.

The principal change in next year's feed grain program is an increase in the top limit on diversion from a farm's base acreage with an increase in the rate of payment for maximum diversion. This will encourage producers to diver t additional feed grain acreage and to increase their income.

In 1964, a producer may divert up to 50 percent of his feed grain base acreage (in 1963 it was 40 per cent), and those who divert from 40 to 50 per cent will receive diversion payments at the rate established for ALL acre diverted. Following is a table of the maximum acreage that may be diverted:

Base	Maximum Diversion
25 acres or less	Entire base
26 to 50 acres	25 cres
51 acres and over	50 per cent

Limited final inventory diversion payment will be offered: (1) Producers who divert at least 20 per cent of their base acres may earn payments on 20 per cent of their normal yield times the county price support rate for the feed grain diverted; (2) for diversions between 20 to 40 per cent of their base acreage, payments will be at a rate of 50 per cent of the normal yield times the county support rate. Participants who divert 40 to 50 per cent of the base (or 25 acres, if this is greater) will receive the 50 per cent maximum rate of payment on ALL acres diverted. Under a new legal provision, payments may not exceed 20 per cent of the value of the land diverted.

The total national average price support levels in 1964 will be the same as in 1963, but a slightly larger proportion of the support will be made available through loans. For the feed grains covered by the program, the loan rate, support payment and total national average support are, respectively: Corn(per bu.) $1.10, 15 cents, $1.25; barley (per bu.) 84 cents, 12 cents, 96 cents; grain sorghum per cwt.), $1.77, 22 cents, $2.

Total support rates in Virginia for 1963 feed grain programs are slightly higher than the national average. They are; corn, $1.39 (per bu.; barley $1.06 per bu.; and grain sorghum, $2.12 cwt.

As in the past, eligibility for payments and price support will be conditional upon maintenance of normal acreage (1959-60 average) in soil - conserving crops. Also as in the past, a producer who owns or operates more than one farm will be eligible to participate in the program on one farm only if, on each of his other farms, the feed grain base is not exceeded.

Off Year For Tobacco Growers

The outlook is not too happy this year for tobacco growers. This applies to both bright tobacco and dark - fired and flue-cured tobacco.

To start with, the crop has felt the result of the extended dry weather, and will likely add up to only a fraction of a normal yield. And, accompanying that situation, is the fact that the quality of the leaf is away off. To make matters worse, America's major rival in the world tobacco market, Rhodesia, is having a wonderful year, with wide open production. Egypt and Turkey and other producers, are having good tobacco years.

Brightleaf markets opened last week in the South Carolina-North Carolina tobacco belts, with offerings light, of poor quality and prices off. Sales for the first five days totaled 20,707,158 pounds, at an average of $42.59 per hundred weight. The average for the first five days of the 1962 season was $50.84. Government purchases for storage purposes and boost the market well up over last year, it is not unusual for first week marketings to be of lower grades, as growers "try the market." However, this year they may not be in a position to come up with much better quality later on.

There is a feeling that the Government may be asked to increase allotments next season, but growers will want to know soon, as they prepare plant beds.

Presbyterian Exec. Secretay Assumes Duties

Dr. John D. MacLeod, Jr., newly appointed executive secretary of Appomattox Presbytery, has assumed his duties and taken up residence in Lynchburg. Dr. MacLeod, who came to this Presbytery from Keyser, West Va., is now residing at 2317 Skyview Place. His telephone number is 845-8732.

The Advisory Committee which serves as the cabinet for the executive secretary, consists of chairmen of various committees within the Presbytery.

Members of the Advisory Committee are the Rev. Dr. John Craven, minister of Westminister Presbyterian Church, Lynchburg; the Rev. Dr. W. W. Glass, minister of First Presbyterian Church, South Boston; Judge Lawhorne Jones, of Chatham; the Rev. Phillip Libby, minister of Chatham Presbyterian Church and Gerald Harris, also of Chatham.

New Books At Co. Library

The Appomattox County Library has recently received a number of new books. Among the more interesting novels are: "Black Summer" by Nancy Hale; the story of a seven-year old boy who is unwillingly spending the summer with his aunt and uncle. Since he is from the South and they are "Yankees" the tension becomes almost unbearable on both sides. Light reading for hot summer days is "Silent Spring" by Rachel Carson is another book which is new in the Library and which has been a subject of discussion for some time. "To spray or not to spray, that is the question". This book may give you the answer.

"The Shoes of the Fisherman" by Morris L. West follows another book called "The Devil's Advocate" by the same author.

"The Pope is dead" . . . this is the way the book begins and since it came into the Library just at the time the Pope really was dying in Rome, it made interesting reading. It gives a true picture of the many hardships and trials of the papacy.

"Seven Days in May" by Fletcher Knebel is a story of a plot to take over the government. The suspense and drama of this book make it highly entertaining reading.

"Joy in the Morning" by Betty Smith. To those who have read
